Ningbo Jingeao Electronics Inc.

COMPANY INTRODUCTION

OUR PRODUCTION

Ningbo Jingeao Electronics Inc. is a mask manufacturer since February,2020 when COVID-19 attacked Human uncontrollably.

After 4 months production, as well as experience accumulating, now we are an much more professional producer for Disposable Face Mask, Disposable Medical Face Mask & Surgical mask.

During this period, we owned awards as below :

- 1.Registration Certificate from MDST (Zhejiang Province, China) in Feb,2020
- 2.CE Declaration of Conformity, FDA Registration Certificate in Feb,2020
- 3.Class II Medical Device Production License in March,2020
- 4.Test Report Via TUV SUD in April,2020
- 5.Test Report Via Nelson Lab in May,2020

With over 40set profession production lines, nowadays, Jingeao could produce over 3-million masks a day, that mostly exported Europe, like France, Germany, Belgiuma, then exported to the USA as well.

What's more, as a developing team, we are growing strength and strength. We built the professional testing lab to check the quality from the low materials to the final function, like PFE testing, BFE testing, tensile test for ear loop ect. To make sure every step until control, to promise the mask's reliability.

MEDICAL FACE MASK

Firmly welded
high-elastic ear loop

Plastic bridge

3-layer protection

Fold structure design

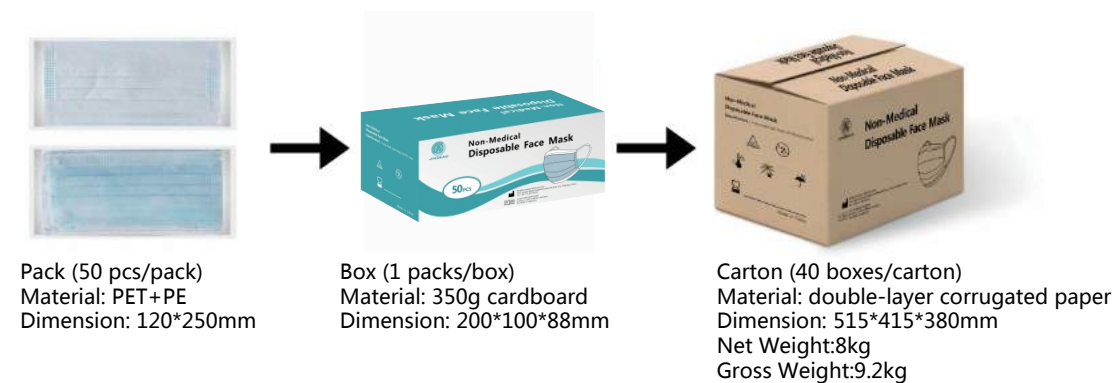

Seamless indentation

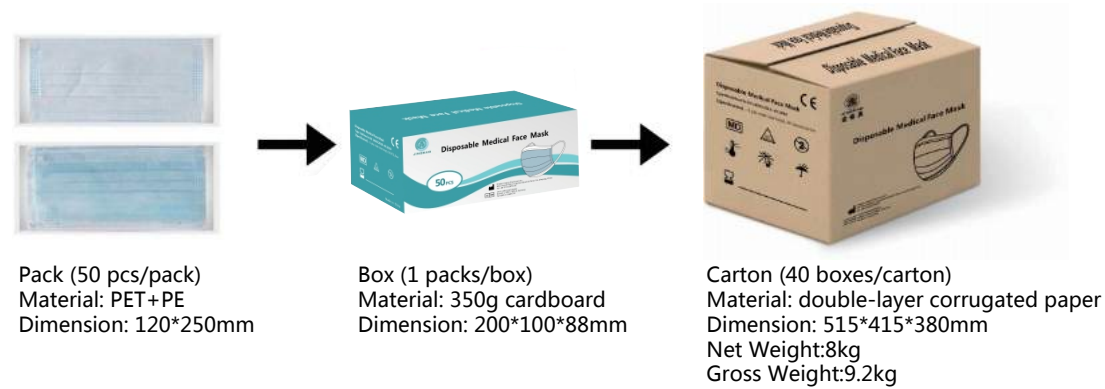

Waterproof

PRODUCT DESCRIPTION

Product description

Product Name: Disposable face mask(Non-Medical)
Specification: 17.5CM×9.5CM
Main material: non-woven cloth 70%+melt-blown fabric 30%
Standard: GB/T32610-2016
Valid period: 1 year

Product description

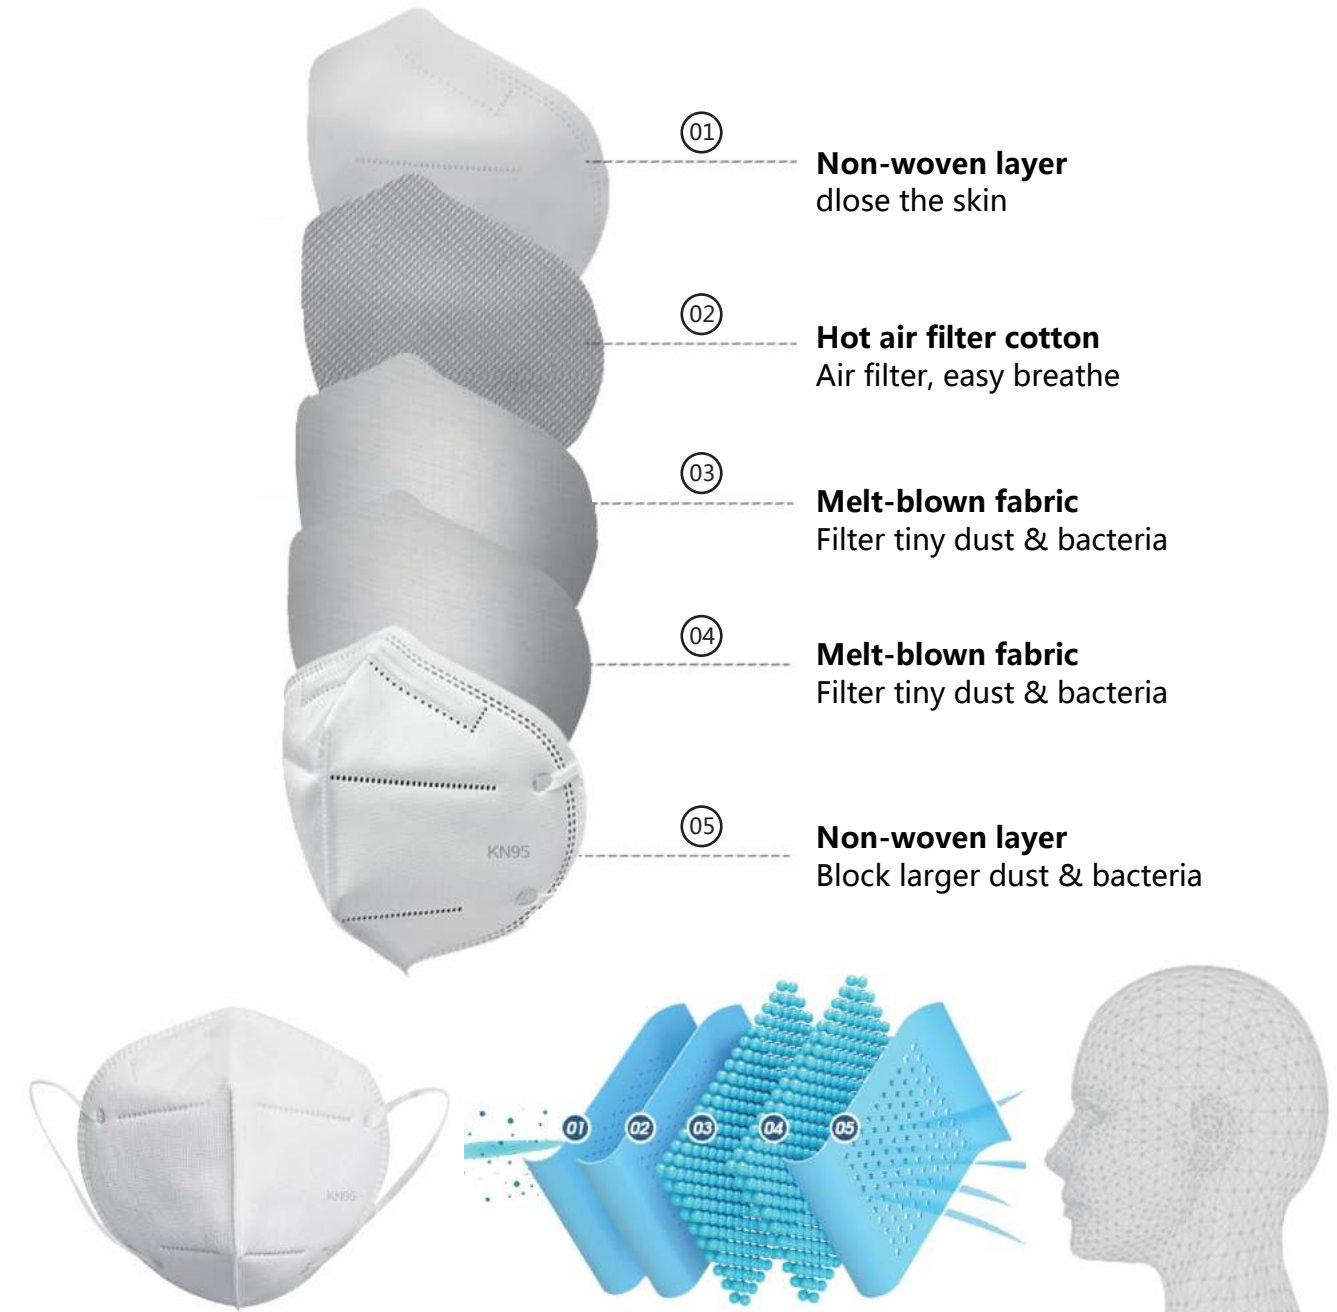

Product Name: Disposable Medical Face Mask(Type IIR)
Specification: Non-sterile ear-loop 17.5CM*9.5CM
Main material: non-woven cloth 70% + melt-blown fabric 30%
Standard : EN 14683:2019+AC:2019
Valid period: 1 year

Product description

Product Name: Surgical Mask(Type IIR)
Specification: Non-sterile ear-loop 17.5CM*9.5CM
Main material: non-woven cloth 70% + melt-blown fabric 30%
Standard : EN 14683:2019+AC:2019
Valid period: 1 year

KN95 Particulate Respirator mask

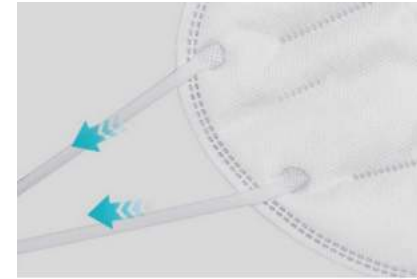

Clean inner side

Firmly welded
high-elastic ear loop

Clean inner side

Pack (5 pcs/pack)
Material: OPP
Dimension: 140*135+30mm

Box (50 packs/box)
Material: 350g cardboard
Dimension: 140*130*200mm

Carton (20 boxes/carton)
Material: double-layer corrugated paper
Dimension: 665*300*425mm
Net Weight: 7kg
Gross Weight: 8kg

PRODUCT DESCRIPTION

Product description

Product Name: KN95 Particulate Respirator mask(Non-Medical)

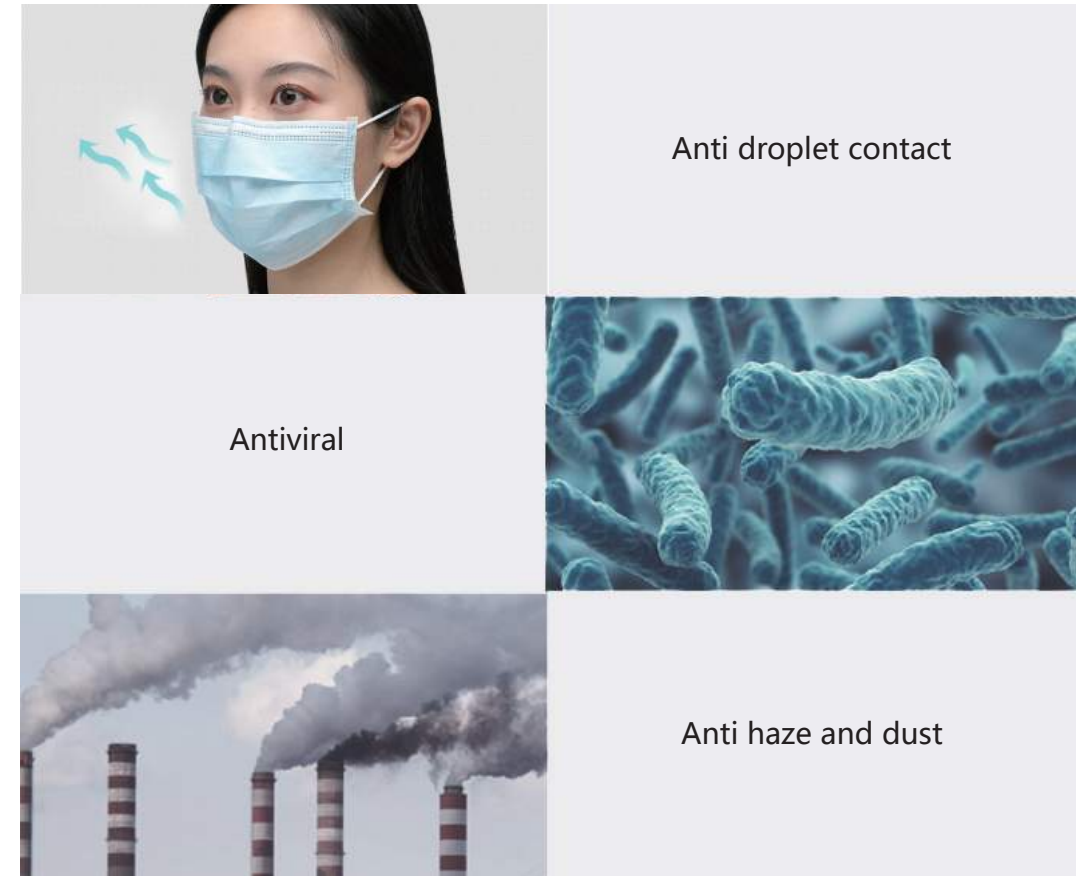

Specification: Non-sterile folding ear-loop

Main material: non-woven cloth 40%+melt-blown fabric 30%+Filter cotton 30%

Standard: GB2626-2006

Valid period: 1 year

Recommended storage conditions: storage temperature: -20~33°C, relative humidity no more than 80%, no corrosive gas or well-ventilated indoor, the product should not be too extrusion during transportation, so as to avoid packaging damage.

Anti droplet contact

Antiviral

Anti haze and dust
